Company Description

- I am learning a lot from this internship, including time management, delivering projects on schedule, and understanding the Git workflow, among many other skills

## PROJECTS

Netflix-clone

Date period

Location

- The Netflix Clone replicates core features of a streaming platform, including dynamic content fetching, video previews, and responsive design. For this project, I used React along with styled-components to create an engaging UI.

- What was a successful outcome of your work? (e.g. Raised \$3,000 for the charity)
